

## **Carl Flynn**

Carl is a U.K. national. Carl's aviation career has been exclusively within the Business Aviation industry over the past 35 years, having flown world-wide for many years. He has flown various VIP aircraft and business jets including B727, GIII, Sabreliners (60 and 75A), Bac1-11, and various other types. Carl has held various management positions, including Director of Flight Operations, VP Safety and Quality, and as B727 and Bac1-11 Training Captain.

After having lost his flying licence over a minor heart murmur, Carl changed his career path and re-trained as an Operations Auditor and has been auditing for the past 9 years including working for WYVERN when it was headquartered at Yardley PA, at ARGUS PROS, and as a self-employed IBAC Auditor.

During his long career and pre-business jet flying, Carl also had a career path as a Flight Instructor in Lebanon and in Singapore. He trained as a pilot at the Oxford Air Training College in the U.K. and holds a Dip.Man from the University of Leicester. He is married with a daughter and two grandchildren who also reside in the U.K.
